Reference: FEC Form 3L Clarification

Dear Mr. Whyrick,

The Committee has been asked to clarify the Form 3L filed on October 15, 2012. The Committee voluntarily disclosed earmarked contributions from Votesane PAC on this Form 3L. This was not a legally required filing, and as such, no further filings are required from the Committee.

Please ensure that your system accurately reflects the fact that we had no legal requirement to file the Year End Semi-Annual 3L on January 31, 2013.

Sincerely,  
Alan Hebert  
Treasurer
